II.

TERM, TERMINATION, AND RENEWAL

2.01. (a) This Policy is effective on the Effective Date and shall remain in effect for the Policy Term.

(b) If VSP issues written renewal notice to the group at least sixty (60) days before the end of the Policy Term, this Policy shall be automatically renewed for an additional period of time and at premium rate(s) specified in such notice. Such renewal shall take effect, without any lapse in coverage, on the first calendar day following the last day of the Policy Term described herein. Group may refuse renewal by notifying VSP in writing prior to renewal. If Group decides to refuse renewal, VSP requests that it receive Group's written refusal at least thirty (30) days prior to the renewal effective date.

2.02. Early Termination Provision: The premium rate payable by Group under this Policy is based on an assumption that VSP will receive these amounts over the full Policy Term in order to cover costs associated with greater vision utilization that tends to occur during the first portion of a Policy Term. If Group terminates this Policy before the end of the Policy Term or before the end of any subsequent renewal terms, for any reason other than material breach by VSP, then Group will remain liable to VSP for the lesser amount of any deficit incurred by VSP or the payments which Group would have paid for the remaining term of this Policy, not to exceed one year. A deficit incurred by VSP will be calculated by subtracting the cost of incurred and outstanding claims, as calculated on an incurred date basis with a claim run-out not to exceed six months from the date of termination, from the net premiums received by VSP from Group. Net premiums shall mean premiums paid by Group minus any applicable retention amounts and/or broker commissions. Group agrees to pay VSP within thirty-one (31) days of notification of the amount due.

III.

OBLIGATIONS OF VSP

3.01. Coverage: VSP will enroll for coverage each eligible Enrollee and his/her Eligible Dependents, if dependent coverage is provided, all of whom shall be referred to upon enrollment as "Covered Persons." To institute coverage, VSP may require Group to complete, sign and forward to VSP a Group Application along with information regarding Enrollees and Eligible Dependents, and all applicable premiums. (Refer to VI. ELIGIBILITY FOR COVERAGE for further details.)

Following the enrollment of the Covered Persons, VSP will provide Group with Member Benefit Summaries and copies of the Evidence of Coverage, with Exhibits, for distribution to Covered Persons. Such Member Benefit Summaries and Evidence of Coverage will summarize the terms and conditions set forth in this Policy.

3.02. Provision of Plan Benefits: Through its VSP Network Doctors (or through other licensed vision care providers where a Covered Person is eligible for, and chooses to receive Plan Benefits from a Non-VSP Provider), VSP shall provide Covered Persons such Plan Benefits listed in the Schedule of Benefits (Exhibit A) or, if applicable, Additional Benefit Rider (Schedule C) attached hereto, subject to any limitations, exclusions, or Copayments therein stated. Benefit Authorization must be obtained prior to a Covered Person obtaining Plan Benefits from a VSP Network Doctor. When a Covered Person seeks Plan Benefits from a VSP Network Doctor, the Covered Person must schedule an appointment and identify himself as a VSP Covered Person, so the VSP Network Doctor can obtain Benefit Authorization from VSP. VSP shall provide Benefit Authorization to the VSP Network Doctor to authorize the provision of Plan Benefits to the Covered Person. Each Benefit Authorization will contain an expiration date, stating a specific time period for the Covered Person to obtain Plan Benefits.

VSP shall issue Benefit Authorizations in accordance with the latest eligibility information furnished by Group and the Covered Person's past service utilization, if any. Any Benefit Authorization so issued by VSP shall constitute a certification to the VSP Network Doctor that payment will be made, irrespective of a later loss of eligibility of the Covered Person, provided Plan Benefits are received prior to the Benefit Authorization expiration date.

VSP shall pay or deny claims for Plan Benefits provided to Covered Persons, less any applicable Copayment, within a reasonable time but not more than thirty (30) calendar days after VSP has received a completed claim, unless special circumstances require additional time. In such cases, VSP may obtain an extension of fifteen (15) calendar days of this time limit by providing notice to the claimant of the reasons for the extension.

3.03. Provision of Information to Covered Persons: Upon request, VSP shall make available to Covered Persons necessary information describing Plan Benefits and how to use them. A copy of this Policy shall be placed with

Group and also will be made available at the offices of VSP for any Covered Persons. VSP shall provide Group with an updated list of VSP Network Doctors' names, addresses, and telephone numbers for distribution to Covered Persons twice a year. Covered Persons may also obtain a copy of the VSP Network Doctor directory through contacting VSP's Customer Service Department's toll-free Customer Service telephone line, VSP's website at www.vsp.com or by written request.

3.04. Preservation of Confidentiality: VSP shall hold in strict confidence all Confidential Matters and exercise its best efforts to prevent any of its employees, VSP Network Doctors, or agents, from disclosing any Confidential Matter, except to the extent that such disclosure is necessary to enable any of the above to perform their obligations under this Policy, including but not limited to sharing information with medical information bureaus, or complying with applicable law. Covered Persons and/or Groups that want more information on VSP's Confidentiality Policy may obtain a copy of the Policy by contacting VSP's Customer Service Department or VSP's website at www.vsp.com.

3.05. Emergency Vision Care: When vision care is necessary for Emergency Conditions, Covered Persons may obtain Plan Benefits by contacting a VSP Network Doctor or Non-VSP Provider. No prior approval from VSP is required for Covered Person to obtain vision care for Emergency Conditions of a medical nature. However, services for medical conditions, including emergencies, are covered by VSP only under the Acute EyeCare and Supplemental Primary EyeCare Plans. If Group has not purchased one of these plans, Covered Persons are not covered by VSP for medical services and should contact a physician under Covered Persons' medical insurance plans for care. For emergency conditions of a non-medical nature, such as lost, broken or stolen glasses, Covered Persons should contact VSP's Customer Service Department for assistance. Reimbursement and eligibility are subject to the terms of this Policy.

IV.

OBLIGATIONS OF THE GROUP

4.01. Identification of Eligible Enrollees: An Enrollee is eligible for coverage under this Policy if he/she satisfies the enrollment criteria specified in Paragraph 6.01(a) and/or as mutually agreed to by VSP and Group. By the Effective Date of this Policy, Group shall provide VSP with eligibility information, in a mutually agreed upon format and medium, to identify all Enrollees who are eligible for coverage under this Policy as of that date. Thereafter, Group shall supply to VSP by the last day of each month, eligibility information sufficient to identify all Enrollees to be added to or deleted from VSP's coverage rosters for the next month. The eligibility information shall include designation of each Enrollee's family status if dependent coverage is provided. Upon VSP's request, Group shall make available for inspection records regarding the coverage of Covered Persons under this Policy.

4.02. Payment of Premiums: By the last day of each month, Group shall remit to VSP the premiums payable for the next month on behalf of each Enrollee and Eligible Dependents, if any, to be covered under this Policy. The Schedule of Premiums incorporated in this Policy as Exhibit B provides the premium amount for each Covered Person. Only Covered Persons for whom premiums are actually received by VSP shall be entitled to Plan Benefits under this Policy and only for the period for which such payment is received, subject to the grace period provision below. If payment for any Covered Person is not received on time, VSP may terminate all rights of such Covered Person. Such rights may be reinstated only in accordance with the requirements of this Policy.

VSP may change the premiums set forth in Exhibit B (Schedule of Premiums) by giving Group at least sixty (60) days advance written notice. No change will be made during the Policy Term unless there is a change in the Schedule of Benefits or there is a material change in Policy terms or conditions, provided any such change is mutually agreed upon in writing by VSP and Group.

Notwithstanding the above, VSP may increase premiums during a Policy Term by the amount of any tax or assessment not now in effect but subsequently levied by any taxing authority, which is attributable to premiums VSP received from Group.

4.03. Grace Period: Group shall be allowed a grace period of thirty-one (31) days following the premium payment due date to pay premiums due under this Policy. During said grace period, this Policy shall remain in full force and effect for all Covered Persons of Group. VSP will consider late payments at the time of Policy renewal. Such payment may impact Group's premium rates in future Policy Terms.

If Group fails to make any premiums payment due by the end of any grace period, VSP may notify Group that the

premiums payment has not been made, that coverage is canceled and that Group is responsible for payment for all Plan Benefits provided to Covered Persons after the last period for which premiums were paid in full, including the grace period through the effective date of termination. Group shall also be responsible for any legal and/or collection fees incurred by VSP to collect amounts due under this Policy.

4.04. Distribution of Required Documents: Group shall distribute to Enrollees any disclosure forms, Policy summaries or other material required to be given to Policy subscribers by any regulatory authority. Such materials shall be distributed by Group no later than thirty (30) days after the receipt thereof, or as required under state law.

V.

OBLIGATIONS OF COVERED PERSONS UNDER THE POLICY

5.01. General: By this Policy, Group makes coverage available to its Enrollees and their Eligible Dependents, if dependent coverage is provided. However, this Policy may be amended or terminated by agreement between VSP and Group as indicated herein, without the consent or concurrence of Covered Persons. This Policy, and all Exhibits, Riders and attachments hereto, constitute VSP's sole and entire undertaking to Covered Persons under this Policy.

As conditions of coverage, all Covered Persons under this Policy have the following obligations:

5.02. Copayments for Services Received: Where, as indicated in Exhibit A (Schedule of Benefits) and Exhibit C (Additional Benefit Rider), Copayments are required for certain Plan Benefits, Copayments shall be the personal responsibility of the Covered Person receiving the care and must be paid at the time services are rendered. Amounts that exceed Plan allowances, annual maximum benefits, options reimbursements, or any other stated Plan limitations are not considered Copayments but are also the responsibility of the Covered Person.

5.03. Obtaining Services from VSP Network Doctors: Benefit Authorization must be obtained prior to receiving Plan Benefits from a VSP Network Doctor. When a Covered Person seeks Plan Benefits, the Covered Person must select a VSP Network Doctor, schedule an appointment, and identify himself as a Covered Person so the VSP Network Doctor can obtain Benefit Authorization from VSP. Should the Covered Person receive Plan Benefits from a VSP Network Doctor without such Benefit Authorization, then for the purposes of those Plan Benefits provided to the Covered Person, the VSP Network Doctor will be considered a Non-VSP Provider, and the benefits available will be limited to those for a Non-VSP Provider, if any.

5.04. Submission of Non-VSP Provider Claims: If Non-VSP Provider coverage is indicated in Exhibit A (Schedule of Benefits) or Exhibit C (Additional Benefit Rider), when applicable, written proof (receipt and the Covered Person's identification information) of all claims for services received from Non-VSP Providers shall be submitted by Covered Persons to VSP within three hundred sixty-five (365) days of the date of service. VSP may reject such claims filed more than three hundred sixty-five (365) days after the date of service.

Failure to submit a claim within this time period, however, shall not invalidate or reduce the claim if it was not reasonably possible to submit the claim within such time period, provided the claim was submitted as soon as reasonably possible and in no event, except in absence of legal capacity, later than one year from the required date of three hundred sixty-five (365) days after the date of service.

5.05. Complaints and Grievances: Covered Persons shall report any complaints and/or grievances to VSP at the address given herein. Complaints and grievances are disagreements regarding access to care, quality of care,

treatment or service. Complaints and grievances may be submitted to VSP verbally or in writing. A Covered Person may submit written comments or supporting documentation concerning his/her complaint or grievance to assist in VSP's review. VSP will resolve the complaint or grievance within thirty (30) days after receipt, unless special circumstances require an extension of time. In that case, resolution shall be achieved as soon as possible, but not later than one hundred twenty (120) days after VSP's receipt of the complaint or grievance. If VSP determines that resolution cannot be achieved within thirty (30) days, VSP will notify the Covered Person of the expected resolution date. Upon final resolution, VSP will notify the Covered Person of the outcome in writing.

5.06. Claim Denial Appeals: If, under the terms of this Policy, a claim is denied in whole or in part, a request may be submitted to VSP by Covered Person, or Covered Person's authorized representative, for a full review of the denial. Covered Person may designate any person, including his/her provider, as his/her authorized representative. References in this section to "Covered Person" include Covered Person's authorized representative, where applicable.

a) Initial Appeal: The request must be made within one hundred eighty (180) days following denial of a claim and should contain sufficient information to identify the Covered Person for whom the claim was denied, including the VSP Enrollee's name, the VSP Enrollee's Member Identification Number, the Covered Person's name and date of birth, the provider of services and the claim number. The Covered Person may review, during normal working hours, any documents held by VSP pertinent to the denial. The Covered Person may also submit written comments or supporting documentation concerning the claim to assist in VSP's review. VSP's response to the initial appeal, including specific reasons for the decision, shall be provided and communicated to the Covered Person as follows:

Denied Claims for Services Rendered: within thirty (30) calendar days after receipt of a request for an appeal from the Covered Person.

b) Second Level Appeal: If the Covered Person disagrees with the response to the initial appeal of the claim, the Covered Person has a right to a second level appeal. Within sixty (60) calendar days after receipt of VSP's response to the initial appeal, the Covered Person may submit a second appeal to VSP along with any pertinent documentation. VSP shall communicate its final determination to the Covered Person in compliance with all applicable state and federal laws and regulations and shall include the specific reasons for the determination.

c) Other Remedies: When the Covered Person has completed the appeals process stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Group should advise Covered Person to contact the U.S. Department of Labor or the state insurance regulatory agency for details. Additionally, under the provisions of ERISA (Section 502(a)(1)(B)) [29 U.S.C. 1132(a)(1)(B)], Covered Person has the right

to bring a civil action when all available levels of review of denied claims, including the appeals process, have been completed, the claims were not approved in whole or in part, and Covered Person disagrees with the outcome.

5.07. Time of Action: No action in law or in equity shall be brought to recover on the Policy prior to the Covered Person exhausting his/her grievance rights under this Policy and/or prior to the expiration of sixty (60) days after the claim and any applicable invoices have been filed with VSP. No such action shall be brought after the expiration of six (6) years from the last date that the claim and any applicable invoices were submitted to VSP, in accordance with the terms of this Policy.

5.08. Insurance Fraud: Any Group and/or person who intends to defraud, knowingly facilitates a fraud, or submits an application, or files a claim with a false or deceptive statement, is guilty of insurance fraud. Such an act is grounds for immediate termination of the Policy for the Group or individual that committed the fraud.

VI.

ELIGIBILITY FOR COVERAGE

6.01. Eligibility Criteria: Individuals will be accepted for coverage hereunder only upon meeting all requirements set forth below.

a) Enrollees: To be eligible, a person must:

1. currently be an employee or member of Group, and
2. meet the coverage criteria mutually agreed upon by Group and VSP.

b.) Eligible Dependents: If dependent coverage is provided, the persons eligible for dependent coverage are specified on the attached Schedule of Benefits and Additional Benefit Riders (if applicable).

If a dependent, unmarried child prior to attainment of the prescribed age for termination of eligibility becomes, and continues to be, incapable of self-sustaining employment because of mental or physical disability, that Eligible Dependent's coverage shall not terminate so long as he remains chiefly dependent on the Enrollee for support and the Enrollee's coverage remains in force; PROVIDED that satisfactory proof of the dependent's incapacity can be furnished to VSP within thirty-one (31) days of the date the Eligible Dependent's coverage would have otherwise terminated and at such other times as VSP may request proof, but not more frequently than annually.

6.02. Documentation of Eligibility: Persons satisfying the coverage requirements under either of the above criteria shall be eligible if:

a) for an Enrollee, the individual's name and Member ID Number have been reported by Group to VSP in the manner provided hereunder; and

b) for changes to an Eligible Dependent's status, the change has been reported by the Group to VSP in the manner provided herein. As stated in paragraph 4.01 above, VSP may elect to audit Group's records to verify eligibility of Enrollees and dependents and any errors. Subject to the terms of paragraph 4.02 above, only persons on whose behalf premiums have been paid for the current period shall be entitled to Plan Benefits hereunder. If a clerical error is made, it will not affect the coverage a Covered Person is entitled to under this Policy.

6.03. Retroactive Eligibility Changes: Retroactive eligibility changes are limited to sixty (60) days prior to the date notice of any such requested change is received by VSP. VSP may refuse retroactive termination of a Covered Person if Plan Benefits have been obtained by, or authorized for, the Covered Person after the effective date of the requested termination. As stated in Section 4.01 herein, Group agrees to provide timely eligibility changes to VSP.

6.04. Change of Participation Requirements, Contribution of Fees, and Eligibility Rules: Composition of the Group, percentage of Enrollees covered under the Policy, and Group's contribution and eligibility requirements, are all material to VSP's obligations under this Policy. During the term of this Policy, Group must provide VSP with written notice of changes to its composition, percentage of Enrollees covered, contribution and eligibility requirements. Any change which materially affects VSP's obligations under this Policy must be agreed upon in writing between VSP and Group and may constitute a material change to the terms and conditions of this Policy for purposes of paragraph 4.02. Nothing in this section shall limit Group's ability to add Enrollees or Eligible Dependents under the terms of this Policy.

6.05. Change in Family Status: In the event Group is notified of any change in a Covered Person's family status [by marriage, the addition (e.g., newborn or adopted child) or deletion of Dependent , etc.] Group shall provide notice of such change to VSP via the next eligibility listing required under Paragraph 4.01. If notice is given, the change in the Covered Person's status will be effective on the first day of the month following the change request, or at such later date as may be requested by or on behalf of the Covered Person. Notwithstanding any other provision in this section, a newborn child will be covered during the thirty-one (31) day period after birth, and an adopted child will be covered for the thirty-one (31) day period after the date the Enrollee or the Enrollee's spouse acquires the right to control that child's health care. To continue coverage for a newborn or adopted child beyond the initial thirty-one (31) day period, the Group must be properly notified of the Enrollee's change in family status and applicable premiums must be paid to VSP.

VII.

CONTINUATION OF COVERAGE

7.01. **COBRA:** The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires that, under certain circumstances, health plan benefits available to an Enrollee and his or her Eligible Dependents be made available for purchase by said persons upon the occurrence of a COBRA-qualifying event. If, and only to the extent, COBRA applies, VSP shall make the statutorily-required continuation coverage available for purchase in accordance with COBRA.

VIII.

ARBITRATION OF DISPUTES

8.01. Dispute Resolution: Any dispute or question arising between VSP and Group involving the application, interpretation, or performance under this Policy shall be settled, if possible, by amicable and informal negotiations, allowing such opportunity as may be appropriate under the circumstances for fact-finding and mediation. If any issue cannot be resolved in this fashion, it shall be submitted to arbitration where permitted by state law.

8.02. Procedure: Arbitration hereunder shall be conducted pursuant to the Rules of the American Arbitration Association subject to the provisions of Section 10.06 of this Policy. Such Rules, the enforcement thereof, and enforcement of the arbitrator's decision shall be governed by applicable laws.

8.03. Choice of Law: If any matter arises in connection with this Policy which becomes the subject of arbitration or legal process, the law of the State of delivery of the Policy shall be the applicable law.

IX.

NOTICES

9.01. Notice: Any notices required under this Policy to either Group or VSP shall be in written format. Notices sent to the Group will be sent to the address or email address shown on the Group's Application unless otherwise directed by Group. Notices to VSP shall be sent to the address shown on the front page of this Policy. Notwithstanding the above, any notices may be hand-delivered by either party to an appropriate representative of the other party. The party effecting hand-delivery bears the burden to prove delivery was made, if questioned.

X.
