

The OptumRx[®] App

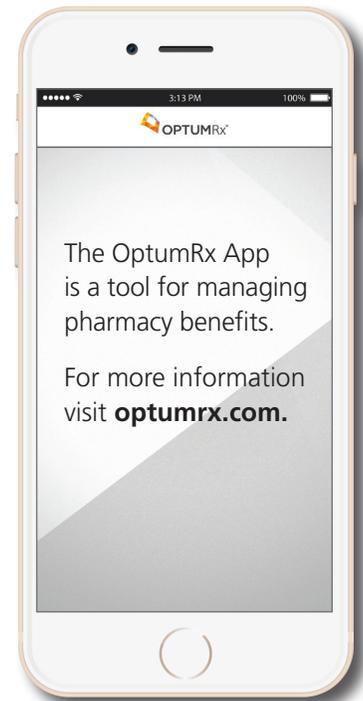

The OptumRx App makes the online pharmacy experience as simple as possible. Consumers can easily:

- Refill or renew a home delivery prescription
- Transfer a retail prescription to home delivery
- Find drug prices and lower-cost options
- View prescription claim history
- Review prescription order status
- Locate a pharmacy

Download OptumRx now from the Apple[®] App Store or Google Play[™].

The OptumRx App: the most convenient way to manage prescriptions.

Simple

Consumers can easily refill a medication or transfer a retail prescription to home delivery.

Current

Prescription Drug Lists change frequently; the OptumRx App updates automatically, ensuring prompt access to the most current drug coverage information as well as the nearest in-network retail pharmacy.

Personalized

Consumers can access a complete profile of their prescriptions via their Medicine Cabinet. The concise format displays all recent and past prescriptions for the consumer.

Save time and money

Compare potential cost savings as well as identify prescription drug options.

Key features include:

- Medication dashboard
- Refill, renew or transfer
- Drug pricing and lower-cost options
- Pharmacy locator
- Order history and claims detail
- Help topics
